2024/2025 Softball Season

Dear Prospective Sponsor: On behalf of the SD Players, families, and athletes, we would like to thank you for taking the time to learn more about our program and what we have to offer.

South Dakota Players is a South Dakota non-profit corporation, 501(c)(3) IRS organization with the mission is to not only improve our players' athletic abilities, but also on character development by teaching leadership skills, building confidence, promoting a strong work ethic, and encouraging teamwork. We coach our athletes to be great individuals, and then great softball players, in that order. The South Dakota Players are "A" Level teams that will travel regionally and nationally to play the best competition and compete in large tournaments.

The funds received will help provide uniforms, equipment and tournament participation for our teams. Our teams will have access to the premier indoor practice facility, The Playground: Indoor Softball Facility and will start practices in Fall of 2024. Your sponsorship will help provide a unique opportunity for these talented and hardworking young ladies to participate and compete at the highest level of competition in their division through July 2025.
